No. 9068-77, *dated 18th February* 1907.

OFFICIAL MEMORANDUM.

Subject—

Printed list of District and Taluk establishments corrected up to 1st July 1905.

In accordance with Government Proceedings No. 944-5—73-05-2, dated 24th July 1905, authorizing the printing half-yearly of lists of District and Taluk establishments, Deputy Commissioners of Districts were requested on the 23rd August 1905 in this office Circular No. 2309-16 to submit early the necessary lists corrected up to 1st July 1905. There was no prompt response from the districts, and it was not till the 18th December 1905 that the lists of all the districts were received.

2. Nor were they prepared on any uniform plan. In regard to the establishment of the District offices, all the districts except Tumkur and Chitaldrug distributed their office establishments according to the departments to which they belong, while the Chitaldrug District submitted one list for all the departments and the Tumkur District included therein not only all the departments in the Deputy Commissioner's office but also the establishments of the Sub-Division Offices. The districts of Bangalore, Mysore, Hassan, Shimoga and Chitaldrug submitted consolidated lists for the Sub-Division Offices, while Kolar and Kadur furnished separate lists for each Sub-Division Office.

3. In regard to the establishments relating to the taluk offices the diversity was not less marked. Kolar and Kadur Districts submitted separate lists for each taluk office while all the other districts gave a consolidated list for all the taluks.

4. In order to save further delay the establishment lists received from the districts were sent to the Press as received with a preliminary consolidated list of the scale of the different offices and with a uniform classification of the headings of the various columns. Even this involved no small labor as the lists which had been written on both sides of the paper and in a variety of ways had to be re-written and the details entered under appropriate headings.

5. The lists which were sent to the Press on the 30th December 1905 were after all received back in the shape of a printed volume on the 18th January 1907.

6. After such an inordinate delay and with the absence of uniformity in the contents, the lists are not as useful as they should be.

7. As half-yearly printed lists appear unnecessary, the lists in future will be printed every year or once in two years as necessity for them arises.

8. But it is absolutely essential to bring up the lists every year by additions to or alterations in the present one by attaching to it fly leaves. Therefore Deputy Commissioners of Districts, the Registrar of Co-operative Societies and Inspector of Agricultural Banks and the Cattle Diseases Inspector are requested to submit so as to reach this office before the 30th July of every year (from the year 1907) the scale and lists of their establishments, as they stood on the 30th June preceding, written only on one side of the paper, ready for transmission to the Press, if it be decided to print the same. The lists should be prepared on open full sheets of foolscap paper in the form now appended to this circular.

9. Delay in the submission of the lists should be avoided and the officers are informed that if they fail to submit the lists in time their offices will be omitted from the printed volume and a report made to Government.

10. The lists will be sent to the Press after being checked on or about the 15th August and special arrangements will be made with the sanction of Government to complete the printing before the end of September following.

11. Separate copies of the printed lists have been forwarded to Assistant Commissioners, Amildars and Deputy Amildars direct for their information.

A. RANGASWAMI IYENGAR,
Revenue Commissioner.
